## FOR IMMEDIATE RELEASE

### **Nicholas House Receives Fulton County and United Way Funds To Expand Services For Homeless Response to COVID-19**

(Atlanta Ga- April 27) - Nicholas House has received funding from Fulton County Health and Human Services and United Way of Greater Atlanta to expand its *Homeless Prevention Services* in response to COVID-19. Nicholas House will reach and serve residents throughout metro Atlanta beginning May 1 – July 31, 2020. Nicholas House, a Grant Park area based shelter with the mission of helping homeless families achieving self-sufficiency will help families economically impacted by the pandemic and who find themselves unable to make rental/utility payments or need food.

Nicholas House has established a dedicated phone number and email for family homeless prevention assistance.

Phone: **Nicholas House Prevention Assistance Line**  
**404-789-5626**

*Services are for families only.* Applicants must have at least 1 child ages 0-17 in their household. Applicants should provide their name, phone number, County or city limits they live in and should specify the type of assistance needed. A case manager will respond promptly.

*"We are honored to provide these additional services for families, Nicholas House provides invaluable services to the most vulnerable in our community," said Dennis Bowman, Executive Director, Nicholas House.*

Nicholas House's mission is to help homeless families become self-sufficient by providing them with a temporary place to live while addressing the root causes of their homelessness so that they never become homeless again.

Learn about ways to help Nicholas House continue the much-needed services please call (404) 622-0793 or email [tterry@nicholashouse.org](mailto:tterry@nicholashouse.org)
