ABOUT THE NICHOLAS HOUSE DREAM BUILDERS EVENT

Nicholas House’s mission is to help homeless families become self-sufficient by providing them with a temporary place to live while addressing the root causes of their homelessness so that they never become homeless again.

The Nicholas House Dream Builders Event is an annual fundraiser which helps to raise awareness of and funds for programs and services provided by Nicholas House for homeless families. Proceeds from the Dream Builders Event, which are typically over 90% or more of funds raised, support Nicholas House’s mission to assist families at risk of and experiencing homelessness.

RESPONDING TO CHANGE

Although face-to-face contact is limited right now, Nicholas House remains connected to its important mission of helping homeless families achieve self-sufficiency. Now a virtual collaborative for homeless families, The Dream Builders Virtual Luncheon will allow Nicholas House to provide vulnerable families with the resources they need to achieve their full potential.

Generous support of the Dream Builders Virtual Luncheon gives Nicholas House flexible funding to both respond to urgent needs and take advantage of unforeseen opportunities: enriching our mission, sustaining our shelter and ensuring that family homelessness is rare, brief and nonrecurring.
