Faith Partner Empowerment Breakfast

On September 12, 2019, representatives from 24 places of worship gathered at Friendship Baptist Church for Nicholas House's Faith Partner Empowerment Breakfast to learn more about opportunities to partner with Nicholas House to make family homelessness rare, brief and non-recurring in metro Atlanta.

We are deeply grateful to the leadership of Friendship Baptist Church for hosting this meaningful event! Special thanks to program participants Dr. Bola Tilghman, Nicholas House Board Member, Pastor Chianti Harris, Greater Piney Grove Baptist Church, and Pastors Latasha Davis and Fred Walker of Salem Bible Church for their support.

Would your congregation like to join us and learn how your place of worship can make a difference in the fight to make family homelessness rare, brief and non-recurring?

The Nicholas House bi-annual meeting of the Corporate Leadership Council (CLC) Meeting was held in October. Hosted by Genuine Part/NAPA. Dozens of corporate leaders representing different industries and companies throughout metro Atlanta provided valuable insight to strengthening partnerships with Nicholas House to reach the goal of ensuring that family homelessness is rare, brief and nonrecurring. Corporate leaders discussed and committed to 6 pillars of support to include financial assistance, employment and training opportunities for families served by Nicholas House, in kind products and services, employee engagement, client engagement and thought leadership. We Slept Out, So Families Won't Have to!

The community added their voices, networks and resources to help raise awareness of family homelessness during the 2019 Nicholas House Off The Street On Their Feet Sleep Out. For one night, participants experienced the uncertainties thousands face daily by sleeping out on the ground. "The annual event is about so much more than spending one no-frills night sleeping on cardboard. It supports advocacy efforts on behalf of 5,000+ metro Atlantans experiencing homelessness each night. It brings into focus the impact of poverty on the lives of families in our communities" stated Dennis Bowman, Executive Director of Nicholas House.

Attendees learned about programs and services provided by Nicholas House, participated in free health screenings provided by the Diabetes Association, The Minority Health Connection, Aniz, Inc., and wellness activities by Wholistic Stress Control Institute. Proceeds from the annual fundraiser benefit programs and services provided by Nicholas House for homeless families. Our special thanks to all event attendees and Sleep Out Participants! Volunteer Spotlight:
Warner Media Kicks Off Fall At Nicholas House

Fall is in the air! As the leaves gently fall around Nicholas House and the holiday season approaches, we are reminded of the kindness of Nicholas House volunteers. Nicholas House extends its sincere gratitude to the wonderful staff of Warner Media! The team of volunteers took a day from their normal duties to support a special Fall kick off at Nicholas House. To provide a festive Fall environment for residents, volunteers donated
numerous Fall decorations and placed them in common areas, near residences, as well as exterior spaces of Nicholas House. The children were amazed and excited to see the decorations. "wow this is awesome!" replied one of the children at Nicholas House. Thanks Warner Media for your awesome display of service and compassion!
