

Dream BUILDERS

Sponsorship Opportunities **2024**

Established in 2008, the Dream Builders Society recognizes multi-year leadership gifts made to support Nicholas House's work to help families experiencing homelessness in and around Atlanta. This prestigious donor recognition society is continuing today in honor of the founding volunteers and board members of Nicholas House whose vision profoundly changed the way unhoused families are cared for in our community. Dream Builders make it possible for this important legacy to continue.

What is the Dream Builders Event?

Proceeds from the Dream Builders event support Nicholas House's mission to help families experiencing homelessness become self-sufficient. We do this by providing clients with stable housing while addressing the root causes of their homelessness so that they never become homeless again. The goal of the Dream Builders event is to raise both awareness and funds for Nicholas House's programs, and to invite donors to join our pledged giving program, the Dream Builders Society. In 2023, our Dream Builders event brought together business leaders, community advocates, and philanthropists to raise nearly \$90,000 for families in need.
